

Farah Amer

Software Developer

+1 (416) 993-6488 | farahwamer@gmail.com | www.farahwamer.com

Education

Queen's University

Bachelor of Computing (Honours)

Expected in 04/2024

Specialization in Software Design

- Dean's Honour List with Distinction
- Dean's Award of Excellence
- Academic Excellence Scholarship

Experience

Web Developer

05/2021 - 08/2021

Albatros Elite Club

- Developed and designed a job application portal to assist a new company in hiring its board of directors using React and Figma.
- Conducted several stand-up meetings to update the client on the progress of the project and include the client in all design and development choices.
- Set up the hiring manager's email to receive all applications from the portal and remained on-call throughout the hiring process in case any additional assistance was required.

Social Media Manager

11/2020 - 04/2021

ImplantsMent

- Curated a posting schedule based on the client's needs and peak social media engagement hours.
- Designed and copywrote informational and seasonal posts to boost the client's community engagement and promote the client's mentorship services using Figma.
- Created educational slideshows and videos to effectively showcase important concepts in the dental implantology field.

Activities

Web Dev Club Team Lead

Currently leading a team of Queen's University web developers in servicing local businesses.

Hackathon Competitor

Through Hack the North, Elle Hacks, HackHer, and Hack Lassonde, I gained experience in ideation, presentation decking, front-end development, and creating business plans.

Instagram Content Creation

Started an instagram account, @technicallyweb, to share web development tips and promote my freelance development and design services
